

Lafayette MN
Celebrating
125 Years

Tentative Dates
July 25, 26 & 27, 2025

Do you know what is fun and exciting and coming to Lafayette???

We are planning a **BIG Celebration** for our 125th year...
It's called a Quasiquicentennial Celebration!
We struggle to say it, but we are going to have a blast!

What we need NOW!! *Ideas for a new city logo! Submit your rough sketches/ideas to the office, we hope to have many - the deadline will be April 16, 2023*****

The planning has begun and we need everyone's help to make it a **HUGE** success!! At the first meeting on February 15th, we brainstormed and came up with a whole list of ideas. Not all may "make the cut" but we are thinking BIG and will organize these into a workable plan!! We invite ALL of you to come to our next meeting to help decide which activities will make the cut!!

We need **everyone's** help - all residents, (yes, even if you recently moved here!) and businesses to commit to help plan this exciting city milestone! Use the back side if you need more space!
