

**Lafayette's 125-Year
(Quasquicentennial)
Celebration Committee Meeting
March 28, 2023, 7:00pm**

In Attendance: Wayne and Sheri Portner, Sandie & Bob Peterson, Tom Polich, Laura Isaacson, Ruth Klossner, Scott & Heidi Portner, Rick Fluegge, Kayla Campbell, Sandy Burger and Lori Dick.

Discussion: Much of the meeting was filled as the committee narrowed down the activities list and where each would be held. Burger presented a draft of a donation letter to be mailed out with the current billing. It was suggested to mail it to surrounding businesses as well. The tractor pull was confirmed. The Legion would host the Friday night meal, the Lion's would do the Sunday am Dad's Waffle. Campbell will set up a Facebook event for this when she can – there is a two-year limit.

Dates: Dave's Place was okay to share their annual party weekend and we will hold it the last weekend in July 2025; Friday, 25, Saturday, July 26 and Sunday, July 27. Was also decided if it's a bike and car night to use it as a kickoff for Wednesday night, Thursday would be Pee-Wee softball and T-ball night.

Other items discussed:

The Concord Singers (\$600-\$800) and Naran (\$100) were contacted and would consider being contracted for an hour Friday night. Movie night and licenses were discussed – we can look into them. Will inquire of TNT if they rent big tents.

Next meeting is set for Wednesday, May 10, 2023, at 7pm in the Community Center

Meeting adjourned at 8:30 pm

Included is a draft of the activities.

Respectfully submitted:

Sandy Burger
Committee Secretary
